Rebecca Kelly Ballet's ONSTAGE

EXPERIENCE THE WORLD OF DANCE
 NYC TO THE ADIRONDACKS
 SINCE 1987

Learn from RKB's inspiring professionals. From ballet to Broadway styles, students 7-20 years, with a range of background dance experience, explore a variety of dance techniques designed to cultivate skills, provide exposure to new ideas, and to cultivate the satisfaction of striving toward excellence.

THE 2-WEEK INTENSIVE provides small classes, a process-oriented work environment, and choreographer's approach, while preparing for performance. Students learn dances specially crafted by NYC choreographer Rebecca Kelly during daily training and rehearsals.

DANCE TRAINING AND PERFORMANCE ignite the imagination, provide a physical outlet, and encourage students to develop skills in a climate of friendship, good will, and humor. Kelly expands cultural horizons with her unique artistic emphasis, introducing ideas, vivid music from different cultures, and engaging topics.

DEVELOP SKILLS of coordination and grace, discipline, cooperation, and focus — good for school, good for health, good for life. While in residence RKB previews vibrant new ballets, holds public dance classes, private coaching, open rehearsals, and presents a public performance.

ACTIVITIES TAKE PLACE at the beautiful Lake Placid Center for the Arts and culminate in TWO performances: in an ensemble work which OPENS the Rebecca Kelly Ballet's public performance, second Thursday, 8pm, and, in the lively one-hour Onstage Repertory Performance, on the final Friday morning, 10:30am.
